EXPRESS CARE WHEN YOU NEED IT

Stanford Express Care clinic is an extension of Primary Care services at Stanford, offering same day appointments for minor illnesses or injuries.

Staffed by Primary Care Providers, the Express Care team treats ages 6 months and older covering a variety of illnesses and minor injuries that need quick attention, including:

- Cold and flu
- Abdominal pain
- Fever and headache
- Back pain
- Cuts and sprains
- Urinary tract infections (UTI)
- Throat cultures
- Pregnancy tests
- Flu shots

Stanford Express Care is available to the general public and is by appointment only.
**CONVENIENT, QUICK AND CONNECTED CARE**

After your visit, Stanford Express Care doctors will update your doctor and share recommendations for follow-up care at a Stanford Primary Care clinic. In addition, we offer:

- Same day appointments
- Assistance with transitioning to a Primary Care physician if you don't have a local doctor
- Most insurances are accepted and billed as a Primary Care appointment (not emergency care)
- Convenient locations
